LCWR Capitol Hill Mail Delivery Support

To facilitate communication between LCWR Congregations/Institutes and members of Congress regarding pending legislation or issues related to the **LCWR Assembly Resolution 2025-2029**, the LCWR National Office provides a hand-delivery service for mail to Capitol Hill. This process ensures that letters written in support of LCWR initiatives are received directly by Congressional offices.

To have letters delivered:

- Write the letters and place each one in a #10 envelope. Do not seal the envelope—sealed envelopes cannot be delivered. Clearly address each envelope with the Congressional member's full name, office building, and office number. If you are submitting multiple letters for the same member of Congress, you may place all of them together inside a single unsealed envelope.
- Place the letters in an outer envelope and mail them to the address below:
Office of Transformative Justice
LCWR
8737 Colesville Road, Suite 610
Silver Spring, Maryland, 20910

To receive receipt and/or delivery confirmation, please complete the form [here](#), and a member of the LCWR National Office will send the requested communication.

Please ensure letters arrive to the National Office at least **two business days ahead** of the delivery dates.
